

## How Do I Delete Products?

*Credentials required: Pricing Admin*

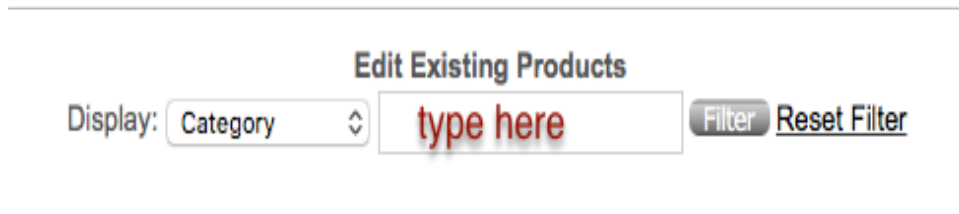

Goal: Learn how to delete products from the product manager.

---

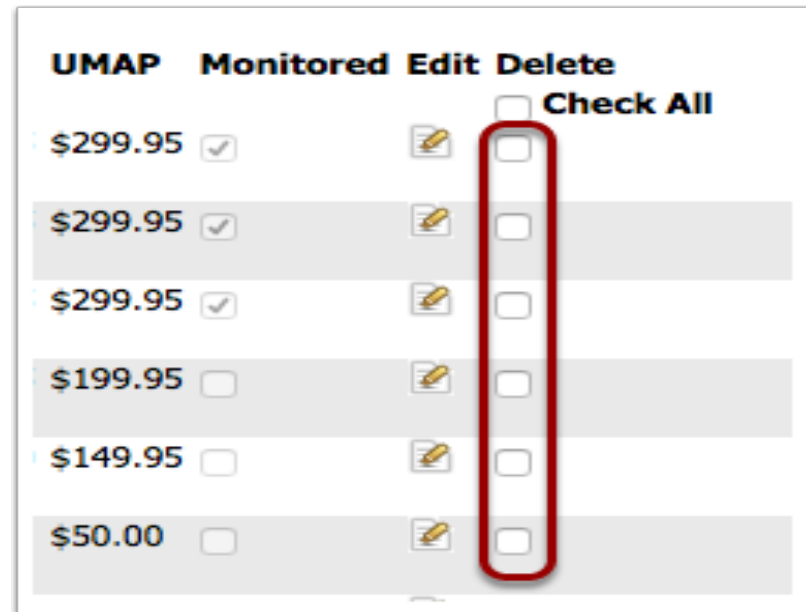

1. **On the "Admin Home" menu,** expand "Pricing Grid Manage" to click "Product Manager".

2. **Using the display options and filters,** navigate to the product(s) to be deleted.

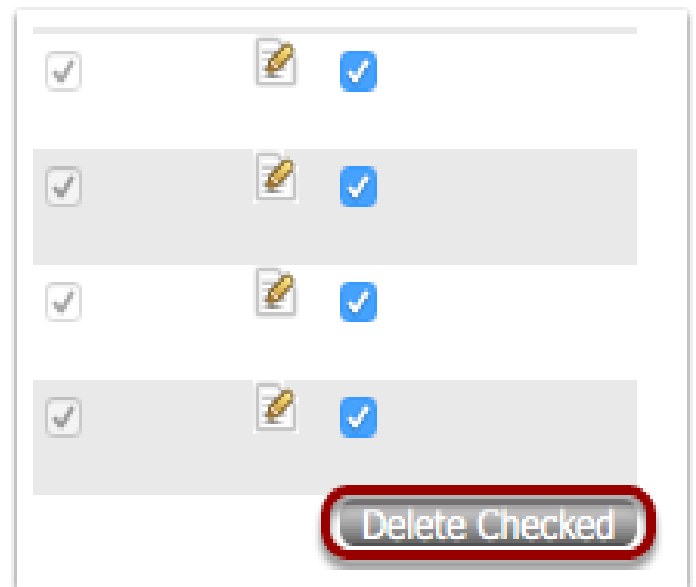

3. **After the page has reloaded**, click the checkbox in the delete column to mark the product(s) for deletion.

UMAP	Monitored	Edit	Delete
\$299.95	<input checked="" type="checkbox"/>		<input type="checkbox"/>
\$299.95	<input checked="" type="checkbox"/>		<input type="checkbox"/>
\$299.95	<input checked="" type="checkbox"/>		<input type="checkbox"/>
\$199.95	<input type="checkbox"/>		<input type="checkbox"/>
\$149.95	<input type="checkbox"/>		<input type="checkbox"/>
\$50.00	<input type="checkbox"/>		<input type="checkbox"/>

Check All

4. **After marking the products on one page**, click "Delete Checked" to delete the marked products.

<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>
<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>
<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>
<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>

Delete Checked
